

# 2022 Corporate Overview

*Established in 1981 and operated by the founding ownership, YKC provides mobile and remote feeding and support to government, corporate, military and private clients throughout the Western United States. Experienced in large-scale event planning and mobile location support, disaster relief, industrial support scenarios, construction camps, film location, event catering and equipment rental, Yellowstone Kelly's is the most experienced mobile foodservice operator in the region.*

*We provide the capability to feed a full round of hot meals per day to 2000+ adults, and the ability to provide mobile laundry, mobile shower and potable water to the demands of natural disasters where infrastructure is compromised and demand for our services is immediate and urgent.*
